

## Organization Changes in Czech Republic and Slovakia Office

White Star Real Estate is proud to announce the promotions of Roland Bebčák to Country Partner for the Czech Republic and Slovakia and Steven Tichy will move up to focus full time on his role as Regional Partner.

Since joining White Star Real Estate in 2017 as Acquisition and Development Partner, Roland Bebčák has done an excellent job strengthening White Star Real Estate's position in the Czech and Slovak markets. As of September 2019, Roland will assume responsibility for leading the management of the Czech business, and continue to lead the pursuit of acquisition and development opportunities.

Steven Tichy is now dedicating his time fully to the role of Regional Partner, managing all asset and property management activities, as well as operational initiatives throughout the region. Over the past years, Steven has managed to make the Czech and Slovak office one of the strongest in the White Star Real Estate group, and now will bring his expertise to White Star Real Estate's operations throughout the CEE region.
